MLA College is committed to helping achieve the United Nations Sustainable Development Goals. Whilst consideration has been given to the design of this document to reduce the use of printer ink and paper, please consider the environment before printing and only do so if absolutely necessary.

# 1. Introduction

1.1 This document outlines our policy and commitment to equality, diversity and inclusion for everyone within the MLA College community including employees, students, contractors and visitors. This document also includes information on how the policy is implemented and how members of the College community are responsible for fulfilling these obligations. This document also includes how we try to provide equality of opportunity for employees, students, contractors and visitors, information on support available to the College community, and a summary of the definitions of types of discrimination as set out in the Equality Act (2010).

1.2 This policy should be read in conjunction with the College's Complaints and Appeals Policy which includes details on how to report an incident.

## 2 Definitions:

<b>Harassment</b>	A form of discrimination. Harassment is often unwanted behaviour based on someone's protected characteristic, sexual harassment or treating someone less favourably because they reject or submit to sexual harassment. Harassment can also happen without discriminatory motives.
<b>Unwanted Behaviours</b>	Behaviour which intends to, or has created the effect of, violating someone's dignity by creating a hostile, intimidating, degrading, humiliating or offensive environment.
<b>Bullying</b>	Often identified as intimidating, malicious, offensive or insulting behaviour by one or more individuals. It may involve words, physical actions or general conduct. It can also include abuse or misuse of power. What one person may consider as bullying may be viewed as no more than firm management by another. However, any behaviour that leads to someone becoming stressed, demotivated or frightened is unacceptable.
<b>Victimisation</b>	Less favourable treatment of someone because they have made, or have helped someone else make, a complaint of bullying and/or harassment.
<b>Protected Characteristics</b>	According to the Equality Act (2010), it is against UK law to discriminate against someone because of their age, disability, gender reassignment, marriage/civil partnership, pregnancy/maternity, race, religion/belief (or lack of), sex and/or sexual orientation.
